Standard Hill BASIC BLACK Bull Sale

Standard Hill Angus

We would like to invite all our friends, neighbours and customers to the Third Annual Basic Black Bull Sale at the farm. Once again we welcome Jake and Maria Pilkey, Double P Angus, as guest consignors to our sale. As I write this we are in the midst of calving heifers, which always reminds me of why we run Angus. The fall sales still shows a strong demand for quality Angus influence calves.

We are very pleased with our bulls that we have on offer, powerful, thick home raised bulls that can work in any program. We are also offering a "Pick of the Pen", the opportunity to pick a heifer from our replacement pen with all proceeds donated to the Maidstone Integrated Health Complex Building Fund.

Please come be our guests on March 9th, and if we or any of the sales staff can be of assistance please do not hesitate to call.

Sincerely,
Les, Ethel Smith & Family

Ethel, Roxanne, Les & Thomas

DjH

Welcome to Standard Hill's Basic Black Bull Sale. This is Standard Hill's second sale at their excellent new facilities, right on the farm. Les and Ethel Smith are offering a great set of young bulls that are functional, highly fertile bulls with moderate birth weights performance and do ability, high quality Angus bulls.

This great set of Angus bulls are sired by such breed leaders as SCA 3299 of Ideal 1418 "Copenhagen", KCF Bennett Total, Rito 616 of 4820 6807, Basin Rainmaker 814Z, Connealy Grant 208 4246, KG Power Design, GBT Design 878 41P, SCA 11H Rito 70R and Standard Hill Traveler 6G.

This will be the second year Jake and Marla Pilkey, Double P Angus are guest consignors. Their top group of bulls are sired by HF Righttime 66R. I know you will be impressed by this great group of young herd sires.

As a feature this year, Les and Ethel are selling the pick of their heifer pen with the proceeds going to the Maidstone Integrated Health Complex Building Fund. What a worthy cause and what a great group of heifers to pick from, paternal sisters to this excellent set of bulls.

Please join Les, Ethel, Jake and Marla for a great bull sale lunch on sale day. If your hosts, any of the sale crew or myself can be of assistance regarding this great sale offering please let us know.
Hope to see you March 9 at Standard Hill.

Yours truly,
DOUGLAS J. HENDERSON & ASSOCIATES LTD.
Doug Henderson

P.O. Box 5900, Lacombe, Alberta T4L 1X4 Phone: (403) 782-3888 Fax: (403) 782-3849

DONATION HEIFER - PICK OF THE PEN

We at Standard Hill Angus are committed to our community.

This is why we are offering a rare opportunity to pick a heifer from our yearling replacement pen.

All the heifer sale proceeds go to the Maidstone Integrated Health Complex Building Fund.

Take your pick from daughters of Copenhagen, Bennett Total, Rito 616,
Connealy Grant, Rainmaker 814Z, 41P and more.

Possibly the thickest, deepest, strongest topped bull we have ever raised. He was our heaviest calf at weaning at 1020 lbs. As a calf 19T was always an eye catcher and he has been a favorite with many visitors. His sire is the noted herd sire at Stretton Creek Angus whose pedigree was very well received at their herd dispersal. His dam is an own daughter of Future Direction who has gained Elite Cow Status.

Standard Hill Facts

- At weaning, all bulls and heifers were vaccinated against IBR, PI3, BVD, BRSV, Somnugen, 8-Way, Blackleg and Ivomec.
- Following weaning, the bulls are fed a balanced ration consisting of tub ground forage, grain, supplemental protein and minerals to achieve a projected daily weight gain of 3 lbs. per day.
- Heifers are not crept fed, but after weaning they are fed a high roughage diet plus 3 lbs of grain per day.
- Bulls have been kept in three large pens, each with 1/8 mile run.
- Heifers are kept in a large pen with an 80 acre field for exercise.
- All bulls will be vet inspected before the sale and semen tested prior to delivery.
- Heifers will be vet inspected prior to sale.
- Standard Hill will keep your bulls until May at no charge, but we request that the purchaser insure them.
- All bulls selling for \$3,000 or more will be delivered free of charge within Saskatchewan and Alberta, all others will be delivered at cost.

Low birth weight, suitable for heifers.

Statistics generated for individual cattle through national genetic evaluations

EPDs:

- allow breeders to estimate a young animal's breeding value - that animal's value as a parent
- allow a fair comparison of breeding value by removing environmental bias such as climate, feed and special management
- the best tool available to compare animals between herds, countries and year of birth

- help breeders make informed decisions regarding breeding stock selection by evaluating numerous traits such as growth-related traits, carcass and reproductivity efficiency
- estimate the group performance of one parent compared to the group performance of another parent, **assuming similar mates**

EPDS EVALUATE GROUP AVERAGES AND OFFSPRING'S PERFORMANCE. THEY CAN NOT PREDICT INDIVIDUAL PERFORMANCE OR WEIGHTS.

To evaluate seedstock, use EPDs, pedigree and visual assessment. With EPDs the concept of "intermediate optimums" works best. Selection for one trait or for extremes generally results in unexpected consequences due to genetic correlations - for example, intense selection for high yearling weight will also increase birth weight. Successful cattle breeding requires a thoughtful and balanced approach to optimize fertility, growth and carcass merit while improving profitability and efficiency.

 Used in our commercial herd last year.

Double P Angus

Box 1267, Lloydminster, SK S9V 1G1
 Phone: (306) 825-6082

We would like to thank the entire Smith family for allowing Marla and I to join them in hosting such an event. With the help of great neighbours, awesome friends and a forever giving family, assistance is never far away.

This is our most uniform group of calves to date. I firmly believe we are stepping into the future with more consistent cattle.

These calves are sired by HF Right Time 66R whose genetics are in the top 10% in the breed for weaning weight and yearling weight.

We also want to let you know we stand behind our cattle with a full guarantee, just in case you have trouble down the road.

Please take this as your personal invitation to our sale.

The bulls are available to view at our farm or on our website www.doublepangus.com.

Give us a call or stop by if you would like any additional information.

Standard Hill BASIC BLACK Bull Sale

TERMS & CONDITIONS

CONDITIONS AND GUARANTEE: All entries sell with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute whatever, regular TERMS AND CONDITIONS recognized with Sales Management shall apply, and in accordance with the Canadian Aberdeen Angus Association Code of Ethics.

CATTLE INSPECTION: All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

RELEASE: No cattle will be released until the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the Clerk's desk from the appointed representatives on sale day.

TERMS OF SALE: Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received.

EVERY ANIMAL: Sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.

ALL PERSONS: Who attend the Sale do so at their own risk, and the Owners, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
